

For Internal and External Use

To Our Valued Customers:

Freedom Designs and Invacare appreciates the opportunity to work with our customers. We recently completed a pricing and document improvement initiative involving the Invacare Solara wheelchair, Freedom Designs' wheelchair frames and Freedom's seating and positioning products.

We have identified and updated product pricing to ensure these wheelchair and seating products are consistent with funding allowables and industry standards. The increases to many of these items could be beneficial. Updated price lists are attached or can be found at www.freedomdesigns.com.

In addition, we are also pleased to announce that we will be updating Freedom order forms to create an easier buying experience. Revised order forms will begin rolling out soon.

The new pricing will go into effect on August 3, 2020. Please reach out to your sales representative in the event you have any questions. As always, thank you for your continued support of Invacare and Freedom Designs
